## LADIES' CLUB MESSAGE

Well here we are well immersed in real winter. It officially kicked off December 21, 2015, but our club's winter rules switch-over always seems to me the harbinger of what's to come. Thanksgiving, Christmas and New Year's are history and we've moving full throttle toward Valentine's Day. Before we know it, daffodils will be blooming. Through it all neither wind, rain, nor the threat of snow and ice keep the intrepid women of Astoria off the course, at least not Amy Finn and Dawn McIntosh from winter golf. Okay, it's been wet and rainy, but it's expected.

We begin our year with a planning session. Scheduled for January 13, 2016, the ladies involved in last year's 2015 session did such a fine job that plans were in place for the 2016 season and the meeting was cancelled.

As it was last year, our ladies' club \$65 annual fee, billed in February, allows us to play in ladies club tournaments, the Club Championship, Guest Day and well as be eligible for prizes. Pay-to Play players should notify the office. Those members can then pay to participate in each event as it occurs.

I want to thank past president, Caroline Hinckley, for a past president's job well done and for providing me with great 2015 messages that serve as a guideline for the 2016 Ladies' Club Message and at times downright plagiarism.

Stay dry and bear in mind: a resolution is something you're going to do. A goal is something you want to do. Whichever you chose, enjoy your golf, and don't take it too seriously. According to some golf channel guru, the more fun you have playing the game the better your golf will become. Don't hold me to this, but I like it!

## LADIES' CLUB MESSAGE

## Team

'Tis the best of times to start thinking green, as in ours on the golf course at Astoria Golf and the wearing of it for St. Paddy's Day, March 17. According the Farmer's Almanac, spring starts officially on March 1, but most other sources won't give it to us until March 20. Whenever it is, we're all ready to get back on the Links and share them with some sunshine and all those daffodils. Word is Winter Rules are in effect until close to Memorial Day. There's news from the Pro Shop that in February, on a kind of clear day, four groups of hearty souls (the girl types) played nine holes of winter golf on a Tuesday at 9 a.m. with nary an elk in sight.

March means it's time to make sure you're a bonafide dues paying member of the AGCC's Ladies' Club nine and 18 hole players. If you have any questions, you can receive answers in the Club Office. We are charged annually for our annual dues in March. While membership is on your mind, get out there and invite other women to join our group. Besides being one on the best deals on the planet, it's one of the most fun.

Girl golfers can also consider joining Oregon Senior Women's Golf Assoc. (OSWGA) for ladies over 55. You are able to play nine holes and have lunch at 12 different private courses for a minimal charge of \$50.00. Or, if your handicap index is 25.0 or lower, there's Oregon Women's Golf Assoc. (OWGA) and 18 hole play at 20 courses throughout the state. That charge is \$100. Both quite the wonderful opportunities to see other courses make new friends and show off our course.

This is the month the Ladies' Club sends scholarship information to area high school counseling offices. Included are Astoria, Ilwaco, Knappa, Seaside and Warrenton. Both boys and girls are eligible for the one-year \$2,000 scholarship which is designated for tuition or educational related expenses and fees. A student is eligible if he or she is: 1. a graduating senior; 2. a member of the school golf team or has participated a minimum of two years in the AGCC Junior Golf Program 3. Has a 3.0 or better GPA.

Early April means our opening breakfast, a short business meeting, distribution of the new Ladies' Club roster and calendar of events for our golfing year. Watch for notices to come.

One more time, thank you Caroline Hinckley for your 2015 newsletters! As we do in our golf games, it's me playing Caroline's work forward! Would that be a scramble?

Thank you Bambi Rice for letting us know you enjoy keeping up with what's up with the AGCC ladies while you bask in the California sunshine!

The opening day nine hole scramble was awarded to the first place team of Dotty Johnson, Sue Corkill and Teresa Plowman. First place winter tournament winners were nine holes, Julie Nygaard and 18 holes, Dotty Johnson. Anybody playing at least twice during the winter received a golf ball and once, fittingly, a hand warmer.

A nine hole scramble followed by a luncheon and general meeting was held on the April 5. Organized under the capable command of vice president, Karen Radditz, the day's event earned just praise from menu to meeting. Additional thanks to John Kawasoe and Channele Kunde for their help during winter golf.

## LADIES' CLUB MESSAGE

It's true: SPRING IS OFFICIALLY HERE. The Ladies' Club 2016 is up and greeting the season, energized and ready to set new course records (at least, isn't that how we approach each golfing season as spring begins?)

The Opening Luncheon was held on Tuesday, April 5 following a nine hole scramble with nine and eighteen hole golfers still being able to take advantage of winter rules.

New Astoria Golf and Country Club Women's Rosters and Schedule of Events 2016-17 have been distributed, corrected and in our hot little hands. Thank you roster readers. These handy guides provide a great resource listing contact info for our members; clinic and play dates; format of Tuesday's play; and a month by month calendar of events. Remember to double check in the Pro Shop or office for any changes made for unexpected conflicts and/or where to sign up for each happening. As my "go to source", past president, Caroline Hinckley, reminded us last year and it's the same this year, "Play each Tuesday begins at 8:30 a.m. Try to be at the club house by 8 a.m. We use the chip system, drawing names to set up teams. If for some reason, you can't be at the club at eight, call the Pro Shop to let someone know you're on your way. It also helps the Pro Shop if you sign up ahead of time and/or call to cancel if you can't make it. Chanelle is working diligently on Tuesday sunshine.

Don't forget to attend the free golf clinics held in May. It's a great opportunity to learn from the pros who offer tips on our long, short, sand and putting game. Think we can get a guarantee in writing? Probably not, but they are a great part of what our club offers. The 2016 Member-Guest, chaired by Mary Swingle and Sandi Bauer, takes place on August 22-23. It's not too early to sign up for this great two day get-together. See you all on the course. Happy spring.
